This conference will be held at the Overland Park Marriott Hotel, 10800 Metcalf, Overland Park, KS. A block of rooms has been reserved for our use at \$112 single/double, plus applicable taxes. The room block will expire at 5:00 p.m. (CST) on April 7, 2010. After that date, reservations will be accepted based upon availability. Reservations may be made by calling 1-800-228-9290. Be sure to ask for the Kansas City Southwest Clinical Society rate. Reservations may also be made online by visiting the following link: <http://www.marriott.com/hotels/travel/mciop?groupCode=scl&app=resvlink&fromDate=4/28/10&toDate=4/30/10>.

Accommodations

The Overland Park Marriott offers complimentary on-site parking and many other amenities. The Marriott is a smoke-free facility. For more information you may visit their website at www.overlandparkmarriott.com

Course Description and Objectives

This program is designed for any health care professional that feels the need for an updated review of critical care management. At the conclusion of this course, the registrant should understand the latest management principles and ethical concerns regarding the lecture subjects listed.

Upon completion of this program the participant will be able to:

1. Describe current management and new treatment modalities for selected health problems/issues encountered in the critical care area.
2. Discuss the role of selected pharmacological agents used in the critical care setting.
3. Explain the pathophysiology, prevention and management of elected conditions and complications associated with critically ill patients.
4. Interpret results of specific laboratory data used to manage critically ill patients.
